[Classroom and Learning Space Technology Upgrades \(/it/campus-initiatives/learning-space-upgrades/index.php\)](/it/campus-initiatives/learning-space-upgrades/index.php)

San José State University has undertaken a comprehensive Classroom and Learning Space Technology Upgrades multi-year project to refresh and revitalize technology in learning spaces across our university.

Explore SJSU IT

[IT Governance \(/it/it-division/governance/index.php\)](/it/it-division/governance/index.php)

SJSU IT's governance structure ensures we effectively and efficiently use IT resources to enable the continued success of our university.

[IT Diversity, Equity, and Inclusion \(/it/it-division/dei.php\)](/it/it-division/dei.php)

SJSU IT stands with our diverse campus community. We recognize and actively affirm the dignity of those we serve, regardless of heritage, education, beliefs, race, income, religion, gender, age, sexual orientation, gender identity, and physical or mental capabilities.

[External Partnerships \(/it/it-division/external-partnerships/index.php\)](/it/it-division/external-partnerships/index.php)

SJSU IT partners with private companies, government entities, and local organizations to further advance the university's technology goals.

[Academic Support \(/it/it-division/academic-support/index.php\)](/it/it-division/academic-support/index.php)

SJSU IT supports the academic success of students in and out of the classroom, anywhere and anytime. We partner with university departments to sponsor class projects and with technology industry leaders to bring in enterprise-grade solutions.

[Research \(/it/research/index.php\)](/it/research/index.php)

We work with our research community to connect them to advanced technology resources like HPC, DaaS, and more to accelerate and enhance their research efforts.
